CURLY'S BOATS

The blue, blue sky above, the dancing waves beneath the hull, the fresh ocean breeze and spray on your face, what could be more exhilarating, and at the same time relaxing than a sail on any lake or ocean? There is great justification for the increasing popularity of boating. Nothing can give quite so much wholesome enjoyment to the whole family. Curly's Boats, owned by Curly and Dorothy Williams, is the "Home of the Sailboat." They carry the largest line of sailboats in this area. They specialize in class sailboats. If your interests run to water skiing or boating instead of sailing, they make custom built outboards and marine ski boats. They are authorized dealers for West Bend Outboard motors. In addition, they carry marine paint, hardware and parts to maintain your boat. Whatever your interests on the water, stop in to see the excellent selection of boats at Curly's Boats, 18512 Hawthorne Blvd., Torrance, or just give them a call, FR 2-5388.

HYDE PARK CONSTRUCTION

A home which is custom designed for your lot can make all of your dreams come true. A custom designed home can include all of the extra touches, the special features which you don't find in the usual house, but which will make this particular house truly a home. Hyde Park Construction Co., Inc., 18506 Hawthorne Blvd., Torrance, design all of their own plans, and can custom design a house especially for you and your lot. They have built homes, income units, business and commercial properties all over the South Bay area. Owner and general contractor Raymon Sulser, and his partner, Bob Cox, are proud of the fine buildings they have constructed in the last few years. They offer 100 per cent financing in most cases, and are glad to give you a free estimate on any building. For more specific information on your building, just call May Knopp, sales manager, at FR 6-6066. He will be glad to help you get started on that dream home of yours, or an income unit, whichever the case may be. If more convenient, stop in at Hyde Park Construction Co., Inc. They are located at 18506 Hawthorne Blvd., Torrance.

W. J. ALBERT, PLUMBING

Whether planning a new home or adding to or remodeling the old one, plumbing is one of the most important considerations. A plumber experienced in planning and executing plumbing for new construction is the one to whom we all would naturally prefer to go. W. J. Albert, Plumbing, 2217 Border Avenue, Torrance, have confined their work to new construction and, naturally, have become experts at it. They do commercial as well as residential work, and alterations and remodeling as well as completely new construction. Their plumbing service is complete in every way. They offer sales of all major plumbing fixtures and install them, too. All makes of water heaters are available from W. J. Albert, Plumbing. Free estimates are gladly given on all work to be done. Of special interest to many home owners and builders alike is the fact that W. J. Albert, Plumbing, is open on Sundays. Weekdays, they are open from 8 a.m. to 5 p.m. Call W. J. Albert, Plumbing, at FA 0-0950, or stop in to see their fixtures at 2217 Border Avenue, Torrance.
